

EDUCATION
SHOULD BE CHALLENGING
& TROUBLESOME
(Troublesome: that which
eludes fixed categories.)

form
if it decays it
won't have time
to ossify

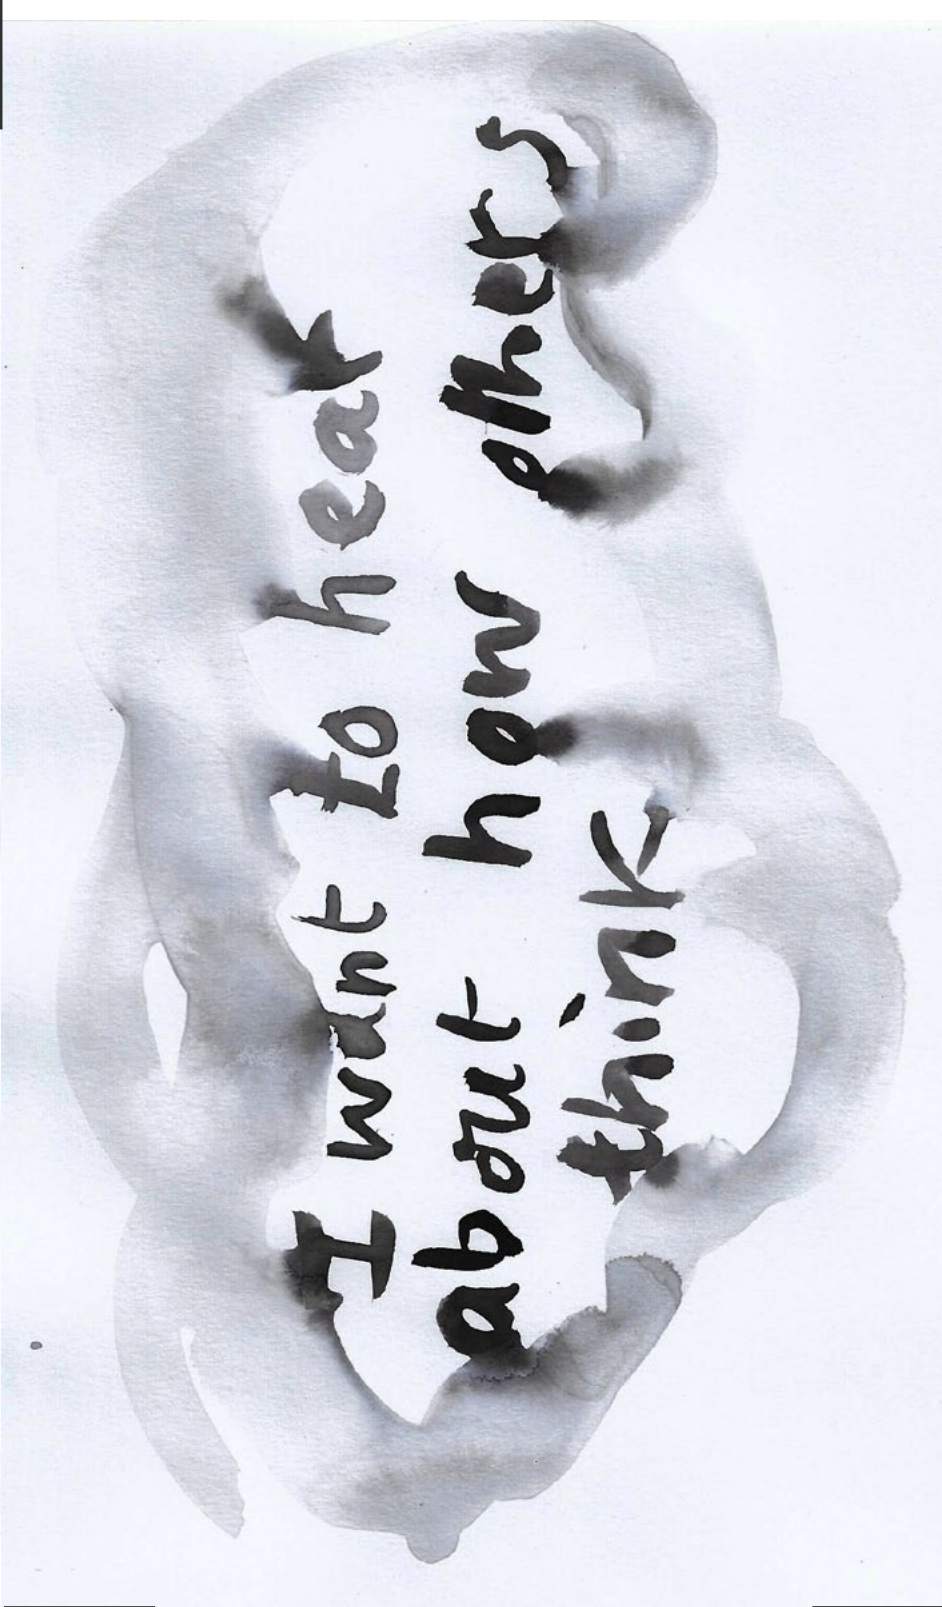

When you find it boring,
stop.

a group of people
increases the
surface area

This man, or is she a
woman?

A Social Mycelium
by Harry
2015

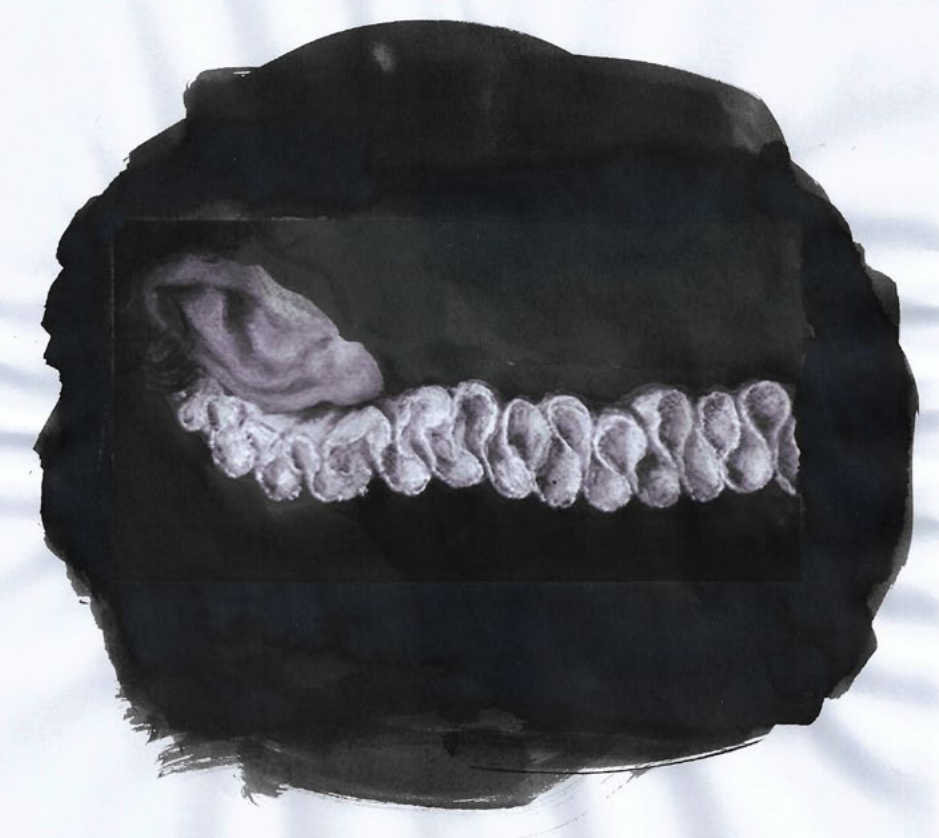

Russord's quote
art can be contradictory

What to
do?

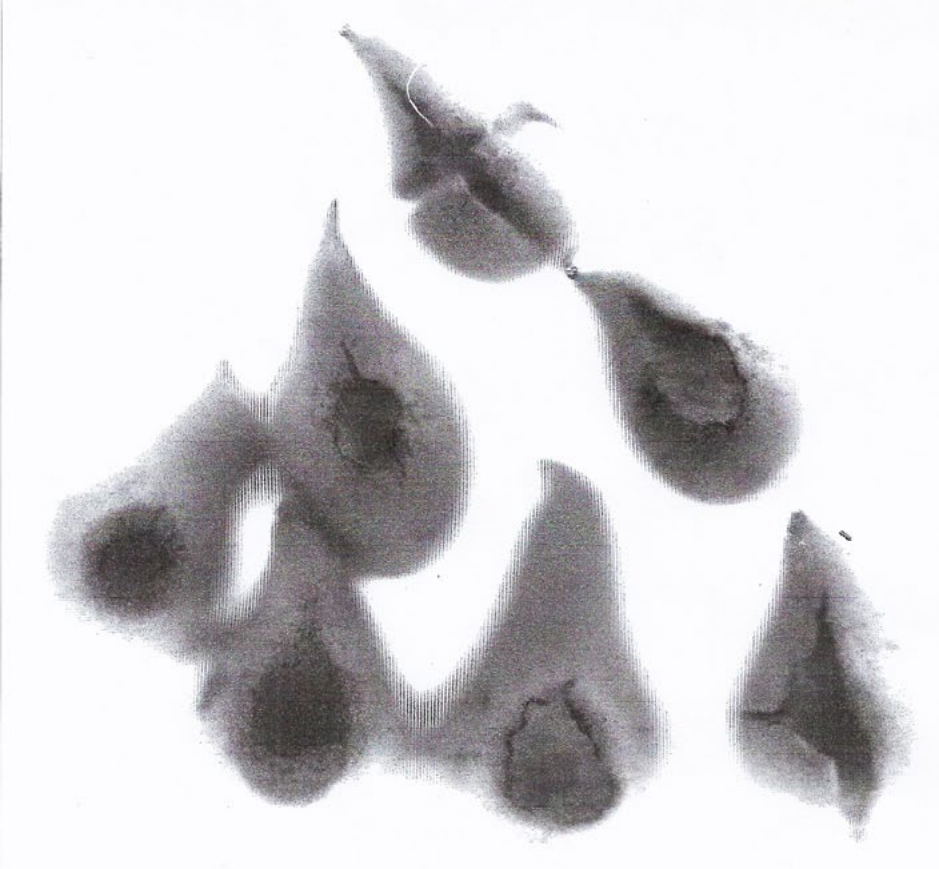

it is a kind of brain, a
network condensed into
a form

like paint covers
thoughts
up the bare
material

not a project ^{one}
but a work ^{one} see it as a sculpture
not a model or pilot

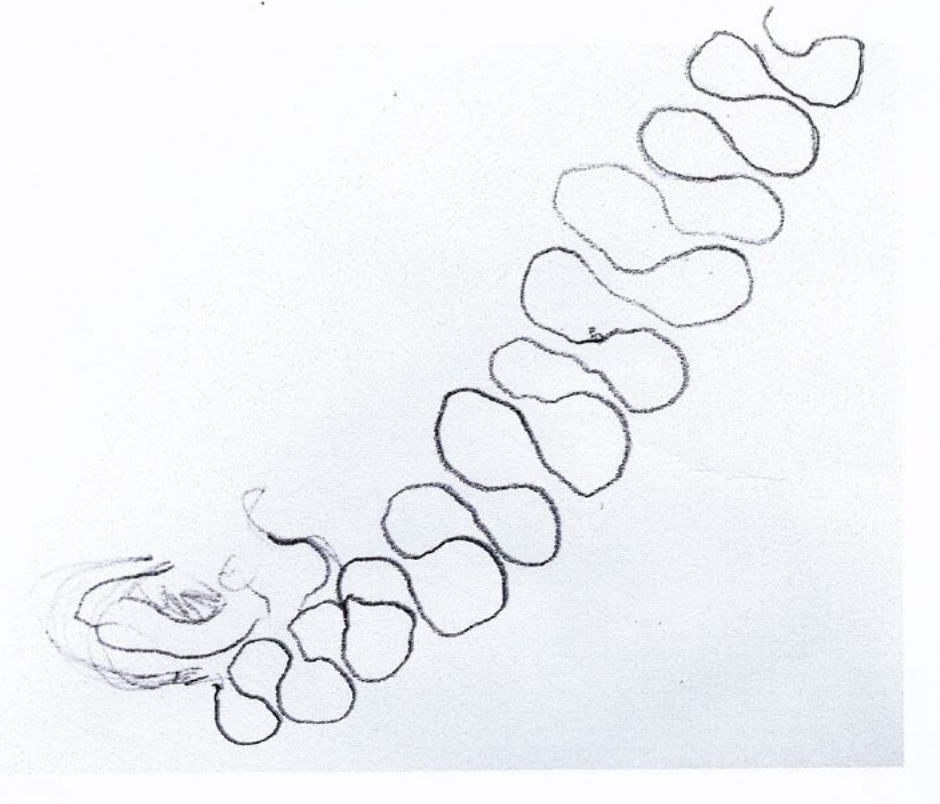

everything is perfect
until it is gnawed

If the blanket
hierarchy gets in the way
what are you
doing with it?

SCHOLE
making space for
citizens need TIME TO
effort of political action"

Boldness has Genius, Magic and Power in it.

Our Notes

it's about
knowing
it's about
love—
be-longing

there is no such thing
as a dead tree

Don't
email
driving

some things
are better
grown
not
made

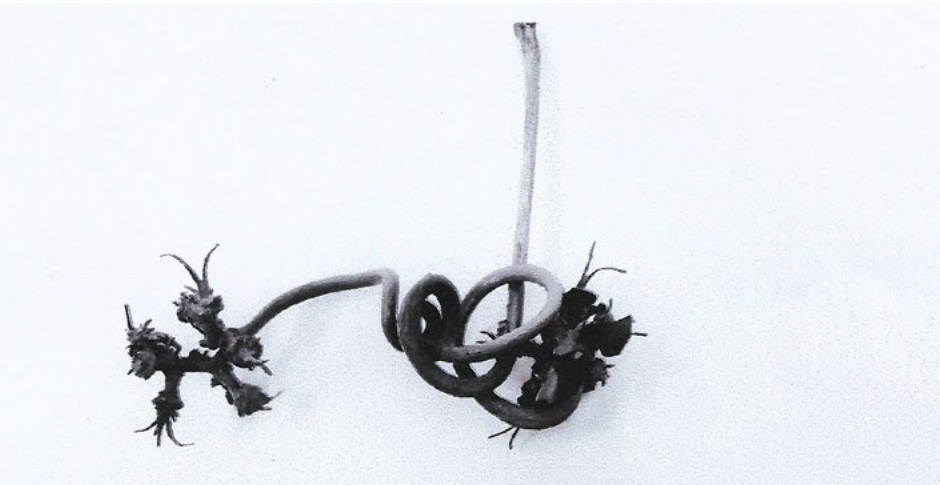

maximise bravery, encourage each other

play seriously

re

wreak havoc, don't keep calm
